Mdk Publications : Boobies and Butts: An Adult Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Boobies and Butts: An Adult Coloring Book:

0 of 0 people found the following review helpful. Something more like you would find in a children's coloring book By ClassicalRebel The drawings are too cartoonish for my liking not very realistic or detailed. Something more like you would find in a children's coloring book. 0 of 0 people found the following review helpful. Five Stars By michelle simms Great book

This adults-only book is entertaining with just a little pinch of naughty. Coloring the different shapes and sizes of boobies and butts is a great past-time when you've got nothing to do. It is, however, equally effective when you want to release tension and stress after a long day at work. Coloring influences the emotions because it is a personal

experience. Secure a copy today!
