A refreshing enjoyable read!0 of 0 people found the following review helpful. Five StarsBy Matthew A. LoyMark is so hot and so funny! I wish he would write more books!3 of 3 people found the following review helpful. Some of these eggs are lightbulbs that brighten up our dimwitted wisdom like a cup of coffee in the morning.By michaelangelo"But I don't drink coffee..." is a thinkfulness filled with eggs of wonder, whimsy, and silliness that you can sit with till you feel funny. It will have you ha-ha-hatch or ha-ha-hatchoo, depending in whether you're allergic to puns or not. In the tradition of Silverstein and Suss, Sandusky's name also starts with an S and his farm-to-coffee-table eggs fry into a nice omelet filled with caffeine-free coffee-table fables brimming with wordplay and parables (

"but i don't drink coffee..." is a children's book for adults filled with short stories, puns, poems and illustrations for coloring.
