**Darrin Bell : Candorville: Thank God for Culture Clash** before purchasing it in order to gage whether or not it would be worth my time, and all praised Candorville: Thank God for Culture Clash:

0 of 0 people found the following review helpful. Make Kindle Edition Cancellig ClearerBy Pablo A CalvanI ordered the Kindle edition by mistake. I wanted the book which I later ordered. I found no way to cancel the Kindle edition. That is not good. PAC PS: I read a borrowed copy of the book and liked it very much which is way I was trying to buy my own copy of the book. Cancelling a Kindle edition should be easy to do for your customers that may want to do so.. Please fix that. Thank you. PAC0 of 0 people found the following review helpful. Thank God for Darrin Bell's wit and perception!By L. Leel admit to a fondness for edgy, political, adult level comic strips. Candorville is an exciting, new find for me. I was barely halfway through this compilation before I was back online ordering the next two available books.If you are looking for mild, easy, non-cerebral chuckles, this is not your book. However, if you are looking for thoughtful, perceptive, peel away the false veneer laughs mixed with a dash of social commentary, prepare to be thrilled and entertained.8 of 8 people found the following review helpful. ....very funnyBy love booksI bought this book because of its interesting cover ,not expecting too much from it.But I had a pleasant surprise as I started going through it.The author shows a lot of promise.This book covers a lot of social issues prevalent in our world today.Definitely thought provoking.....The beauty of this book is how some of these serious issues are presented in such a hilarious manner.I really liked the character of Clyde[C-dog].The author has co-authored another comic book

series called Rudy Park, I look forward to reading that too. Recommended if you are looking for something both intelligent and funny.

An insightful comic strip filled with edgy dialogue and thoroughly modern situations, Candorville: Thank God for Culture Clash by Darrin Bell is made for today's world. It fearlessly covers bigotry, poverty, homelessness, biracialism, personal responsibility, and more while never losing sight of the humor behind these weighty issues. The strip targets the socially conscious by tackling tough issues with irony, satire, and humor. Candorville: Thank God for Culture Clash celebrates diversity by poking a little fun at it.
