From Brand: Papaveria Press : Cinderella Jump Rope Rhymes before purchasing it in order to gage whether or not it would be worth my time, and all praised Cinderella Jump Rope Rhymes:

1 of 1 people found the following review helpful. Cinderella was never so wicked!By Terri-lynn DefinoThis little book was a surprise--a fabulous one. I was expecting jump-rope rhymes and got them, along with a little Gashly Crumb Tinies, a little Coraline, a lot of humor and the kind of artwork that makes you want to buy a second book just to be able to frame the pages. It's a delicious little volume that is going in a place of honor among my most cherished

books. 0 of 2 people found the following review helpful. Not for my grandchildren
By From Chester, VA
This is not a children's book - at least it is not for my grandchildren. I will be returning it.

By Virginia
A slim, silly diversion of rhymes, some of which are very clever indeed.

The Cinderella jump rope rhyme was in actual use in the United States at least as late as the 1970s and 1980s: "Cinderella, dressed in yella/Went downstairs to kiss her fella/By mistake her girdle busted/How many people were disgusted?/One, Two, Three, Four..." Fast forward to nowadays, and put that rhyme in the hands of speculative poets and short-story writers and their friends. These are people with a lurid sense of humor, a color palette not limited to yellow, and a deep interest in imagining for Cindy some life-changing experiences beyond snake kissing and girdle busting. The rhymes found in Cinderella Jump Rope Rhymes were written in a collaborative freestyle whimsy, with each author adding a rhyme until a delightful series had been created. Add to that the illustrative powers of artist Adam Oehlers, and the final product was this little chapbook. Cinderella Jump Rope Rhymes shows you what a childhood pastime looks like when you dial macabre up to eleven. If playground fun got married to the genetically engineered child of Joss Whedon and Neil Gaiman, their offspring would be Cinderella Jump Rope Rhymes. Go ahead, nourish your inner Victorian orphan - or buy a copy for the Wednesday Addams in your life. Cinderella Jump Rope Rhymes is a Cabinet des Fes production.
