The depiction of demons as emotions was new to me. The idea intrigued me.1 of 1 people found the following review helpful. A Prayer For The TryingBy Lesley WelshThree demons are sent to undermine the resolve of Reverend Jake as he attempts to develop a

drug intervention programme at a Tennessee college Now, you may well ask, why not aim just a wee bit higher? The Vatican maybe? Canterbury perhaps? Trainee demons on a try-out it seems and what a group of mixed-up minxes they are. Will they win and will Jake fall from grace once more? Or will his fervent prayers save the day? An amusing morality tale, setting out to prove that the devil might have all the best tunes but he 'aint got a clue about staff recruitment.

"Jake's Preacher Gig" is a two-part story that focuses on characters from three separate families, tracking the daily life of the principle character, Reverend Jake Millsaps. The story takes place at picturesque but fictitious Hyacinth College in Plant City, in East Tennessee. The time period is the 1989-1990 school year. One of Jake's primary duties is to develop a drug intervention program to combat the college's flagging enrollment. The point of view of this tale is unique: we see all action through the eyes of a group of stumbling demons. Our demons do not dispense curses, nor do they commit any physical mayhem. They exist only in the spiritual dimension and use their powers of suggestion to try to influence events in Jake's day-to-day life. Their purpose is to encourage chaos to undermine Jake's effectiveness as campus pastor.

About the Author "I go as hard as I can, as long as I can; then I fall down." That's how this author describes his daily life. He has 'a few health problems' but tries to stay active. Jack volunteers as a computer specialist for SCORE, a national organization of retired businessmen who mentor small business startups. He also exercises daily, walking a few miles with his ever-present companion, Buddy, a rescued Terrier mix. The author had coinciding careers: science teacher / baseball coach, and payroll software consultant. "We've lived and traveled all over the US and even a few foreign countries," Teeter said, "that gives us a broad enough perspective to take a stab at writing." Jack Teeter lives in Brighton, IL, with his wife Karen.
