**Gene Brissie : Jokes Men Won't Laugh At** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jokes Men Won't Laugh At:

0 of 0 people found the following review helpful. I've read about 50 pages, and about 90 percent ...By SeptemberI've read about 50 pages, and about 90 percent of the jokes are sex related. If people want to write joke books that are for

mature audiences, that fact should be in the description. The movies tell us if the content is for mature audiences; books should, too. 0 of 0 people found the following review helpful. 2 Books and recycled jokes By Ja. Ne. I have "Jokes Women Won't Laugh at" and I wanted to get this one as a companion. I have read "Women" cover to cover and think it's hilarious. Reading this one though I noticed numerous jokes that were the same thing just altered for the gender, which was a bad choice as the jokes didn't make as much sense this way. Still it's a hilarious book to pick up. 0 of 0 people found the following review helpful. Men can dish it out, but can they take it? By A Customer This is screamingly funny, and you don't even have to worry if the men in your life see the book lying around--they won't get most of the jokes!

For women only: jokes that will test the strength of the most waterproof mascara. Will keep women laughing and entertained through at least a few editions of "SportsCenter." The doctor took Stan into the room and said, "Stan, I have some good news and some bad news." Stan said, "Give me the good news first." "They're going to name a disease after you."
