laugh and learn!By Geri JohnstonThis author has a way of relaying Christian principles through her stories in a way that draws the reader in. Her stories are homey Southern humor with a lesson. I'm not from the south and yet I am find myself feeling I know her characters so well; perhaps every family has relatives like that! What a pleasure to read.0 of 0 people found the following review helpful. A fun journey down the bumpy road of life!By BobbieThank you, Mitsy Lou! What fun to journey with you down the bumpy road of life and sharing in such a warm way how wonderful our Lord is. I found myself laughing out loud, slapping my leg and wondering if you had been reading some of my family's diary entries! Thank you, Janet for sharing your wonderful way of telling those stories that, if we didn't have in our family, it was something close enough to relate to! Take the time to sit down and read this book to enjoy, laugh and get closer to our Lord!

We live in an ever-changing world. Join Janet Harlee aka Mitsy Lou Puppennickel, a tacky Southern hairdresser, as she shares funny, touching, and sometimes true Southern stories about her zany family and friends in their not-so-steady walk with the Lord.
