Hinkler Books : Kaleidoscope Coloring Magnificent Creatures before purchasing it in order to gage whether or not it would be worth my time, and all praised Kaleidoscope Coloring Magnificent Creatures:

0 of 0 people found the following review helpful. Just right..By Lavona S.The pictures are fun and you can get really creative with these pictures just the right amount space to work on and a nice variety of creatures to pick from. What great artwork you can make from this book!0 of 0 people found the following review helpful. Totally would recommend for everyone artsy.By Danielle ThurlowI love this book, my friend actually bought this and I have colored most of the pages. Just wish markers didn't bleed through since the pages are two sided.0 of 0 people found the following review helpful. Really cool picturesBy cindyThis is my second copy, my daughter begged for the one I originally bought. It has some wrinkles in the cover, but inside pages are great.

Lose yourself in a kaleidoscopic world of coloring with Magnificent Creatures and More. Each book contains stunning illustrations to help you relax and de-stress. Coloring is the perfect way to relax, unwind and unleash your creativity. So find your inner artist and inner calm with Kaleidoscope Coloring.
