This book brought me back memories of my childhood days when my friends and I would exchange jokes. The author has a sense of humor. His selection of jokes and tongue twisters are entertaining, and I know that younger kids will have a blast telling these jokes. If you have kids, even better. Use this book as a guide to keep them in stitches every hour of the day. Everyone should buy this book, whether you have kids or not. These jokes are the perfect corny jokes to pull out at any time to help you break the ice. Very funny jokes book. She loves to read the jokes and riddles to us whenever she has a free moment. It has goofy, age appropriate word-play jokes, knock-knock jokes, riddles and tongue twisters. It was great family fun trying out the tongue twisters and answering riddles on a recent driving trip. This is definitely worth having around.1 of 1 people found the following review helpful.
