Sam Hoffman, Eric Spiegelman : Old Jews Telling Jokes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Old Jews Telling Jokes:

This book is so crude and dirty, there is no way I could give it to her for Hannukah. I thought it was going to be warm-hearted and funny. It is not. It is crude, immature and misogynistic. I am no prude but this was just depressing. Old men and their young mistresses,

penis jokes, oral sex, gah!!! Not for most audiences including this young woman. Would not recommend. It's not funny. It's gross.0 of 0 people found the following review helpful. Laughter keeps you youngBy Merry Ann JacksonLaughter is the spice of living a great life and staying healthy. My husband, who is Jewish and I went on vacation with some of his cousins and his sister and her husband. Every day, at breakfast and during the day we would pull this book out and we'd randomly open to a page and read a joke. We would roar with laughter and disrupt the whole restaurant. We did this every day and had the best time together. We gifted each with this book and they took it home with them to share the laughter and the love. Wonderful book that has given much joy and love.0 of 0 people found the following review helpful. Hilariously funny.By Dr Charles Calvert PhD. LCCT .The stories in this book had me laughing for days. I loved telling them to my friends. BEST FUNNY BOOK!

Schtick happens. For five thousand years, Gold's chosen people have cornered the market on knee-slappers, zingers, and knock-knock jokes. Now Old Jews Telling Jokes mines mothers, fathers, bubbies, and zaydes for comic gelt. What we get are jokes that are funnier than a pie in the pumkin: Abie and BEcky jokes; hilarious rabbi, doctor, and mohel tales; and those bits just for Mom (Q: What's the difference between a Jewish mother and a Rottweiler? A: Eventually a Rottweiler will let go!). Some are just naughty and some are downright bawdy - but either way you'll laugh till you plotz. With Borscht Belt gags from Brooklyn to Bel Air to Boca, Old Jews Telling Jokes is like chicken soup for your funny bone. I mean, would it kill you to laugh a little?
