It has brought lots of joy and laughs to the break room at work on stressful days. I am very glad I bought the book and hope the author keeps writing more books just like this. We all need a little clean fun in our lives on a stressful day.0 of 0 people found the following review helpful. Lena and Ole ride againBy SueHordVery funny. I grew up in Minnesota and love these jokes.1 of 1 people found the following review helpful. Service fine, book not worth moneyBy Theodore S.service just fine, book awful, not funny at all. Rehash of other 'ethnic' comedy related books. Donated to library. Ripoff.

The infamous, bumbling, Scandinavian duo is bringing you a huge helping of laughs. Ole and Lena get mixed up about everything from winter activities to distant relatives, and the results are nothing short of hilarious! Black-and-white photos also capture the antics of this clueless couple. Give the book as a gift, and get one for yourself, too. You betcha!
