**Monica Dickens : One Pair of Hands** before purchasing it in order to gage whether or not it would be worth my time, and all praised One Pair of Hands:

0 of 0 people found the following review helpful. Very delightful.By Grace ChalelaThis book was truly a joy to read. The author has such a gift in the way she makes her character think. I was sorry to see it end.0 of 0 people found the following review helpful. CharmingBy A. LeeI found Dickens' book a charming look at what must have been a

difficult situation at times. I enjoyed a look at this period of time and her writing style was good. It's a bit distressing to think Charles Dickens' great-granddaughter was reduced to being a domestic, but she made the most of it and turned it into literature and money, so good for her! 0 of 1 people found the following review helpful. Interesting book  
By Marco  
Although the author is a direct descendent of Charles Dickens, the writings is totally different. I enjoyed reading about the author's adventures very much.

"Riotously amusing as the book is in parts, Miss Dickens also manages to make it a social document." The Times
